MR. GILREIN

Thank you, Mr. Gilrein, for all you have done
Twenty years in Dudley-Charlton, and it's been so fun
You care about students and all they can learn
With success, achievement, and diplomas to earn

You're a gem, a friend, a one of a kind
Oh where, oh how are we going to find
A leader who is able to fill your shoes
The thought alone just gives us the blues!

We'll miss you so dearly and hope you visit soon
It just won't be the same after this June
So, congratulations! We applaud you with roars
And good luck with all your future endeavors!

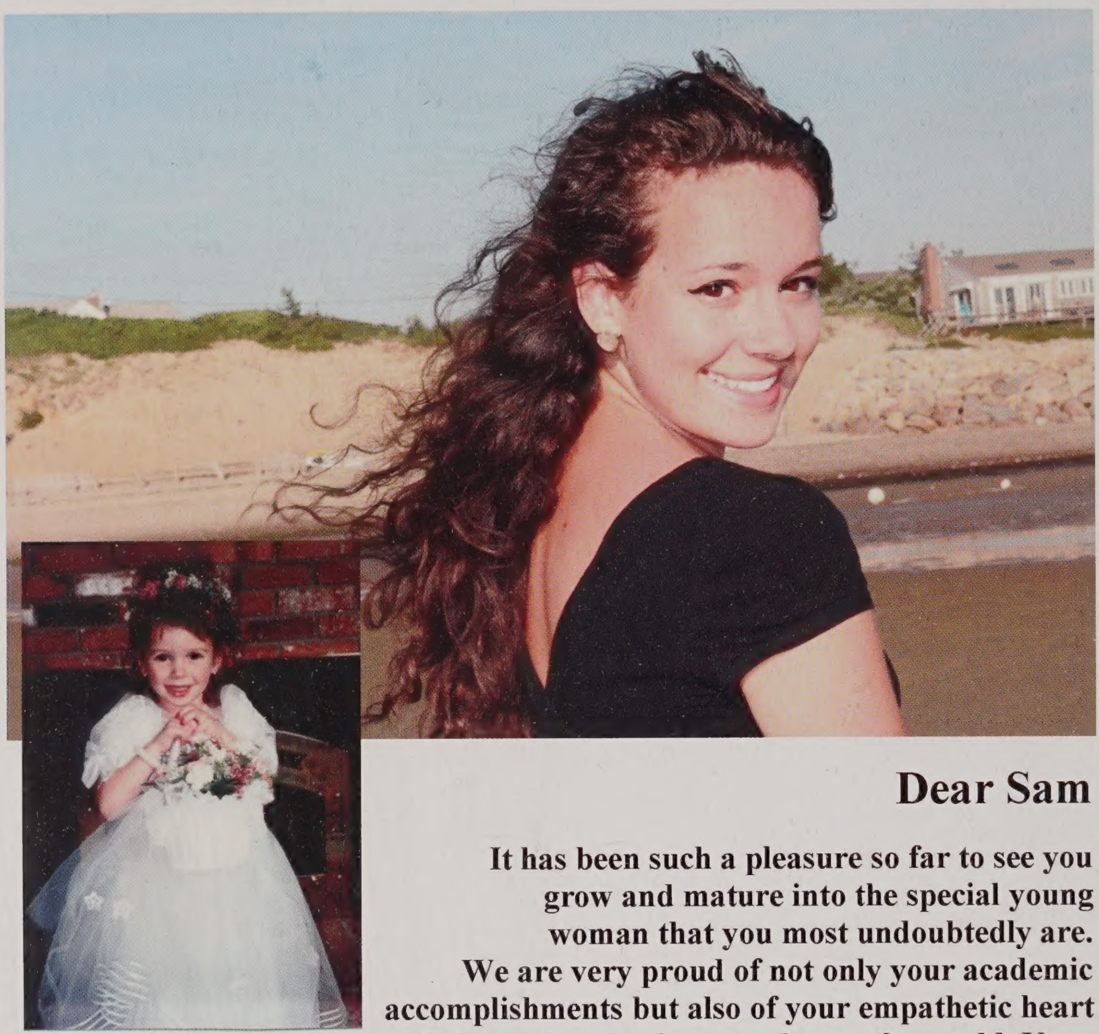
SAMANTHA DUMAS



Dear Sam

It has been such a pleasure so far to see you grow and mature into the special young woman that you most undoubtedly are. We are very proud of not only your academic accomplishments but also of your empathetic heart and your unwavering desire and enthusiasm to change the world. Your knowledge of the world and your interpretation of how all of its pieces can fit together has always been astounding to us because even some adults do not have your level of awareness. You have a mature and intuitive sense of where you fit in to the big picture and how you will make your mark in the world. That in itself is AMAZING! And so are YOU! Thank you for continuing your education and bettering yourself as a human. Better humans make for a better world! Keep an open mind and an open heart in the years ahead. We love you and may God Bless you and keep you close.

Love, Mom, Dad, Ronni and Joe

Kristin,

We cannot even begin to tell you how proud we are of you. Ever since you were a little girl you have always had a special way of making everyone around you smile. You are beautiful inside and out. Reach for your dreams baby. There is nothing in this world you cannot achieve.

Love you!!!!

Mom, Kim, Grammy and Grampy

You have to leave the city of your comfort and go into the wilderness of your intuition. You can't get there by bus, only by hard work and risk and by not quite knowing what you're doing, but what you'll discover will be wonderful. What you discover will be yourself

— **Alan Alda**

From the bright-eyed baby girl you once were...

...to the beautiful, confident young woman you've become.

We always have been and always will be so very proud of you!

Thanks for always looking for the positives in life. Although your carefree, laid back ways may stress us out at times, you know how to live in the moment. Your enthusiasm is contagious and we know you will have no trouble adapting to whichever college you choose. We are very proud of the respectful and responsible young man you have become.
Love, Mom, Dad, Meg, & Molly

Dear Julia,
You are a beautiful, smart, funny, confident young wom and we are so very proud of you! Always be true to yourse and your dreams.

Dear Brooke,
It's been a privilege and an honor to be your parents for the last 18 years. You have grown into such a remarkable young woman. You have brought so much happiness into our home. You have proven yourself to be a loyal and caring human being. We are so very proud of you. Our wishes for you are many, but our most important wish for you is that you live a happy, healthy, and rewarding life. You certainly do deserve the very best that life has to offer.
Love Always,
Mom and Dad

Dear Katie:
Growing up with an older brother who enjoyed being the center of attention, you were always able to hold your own. You quietly carved out your own success, with your intelligence and determination. Despite your easy-going personality, you still managed to always let us know exactly what you were feeling (You still are honest to a fault!). Use these qualities of honesty, intelligence, and diligence as you move forward in your life, to guide you towards the fulfillment of your dreams. Keep your faith, and remember that every day you are given is a gift. Take advantage of that gift! We love you and are always proud of you.
Love,
Dad, Mom, and Scott
